

## Ozonated Water & Hydrogen Water

A Must-have Health Home Appliance

### Ozonated Water

#### Food Purification / Disinfection

Safe, natural, no residual

- High concentration of dissolved ozone
- Used by internationally famous 5 stars hotel chains
- Decompose pesticides in minutes
- Harmless to human body, which complies with OSHA standard
- The most powerful and natural disinfectant for household hygiene

**Washing & soaking for 3 minutes**

>90% pesticide degraded

**Cleaning for 5 seconds**

Instantly kill 99.9% of pathogens

**Washing & soaking for 1 minute**

Immediately sanitize and prolong produce freshness

### Hydrogen Water

#### Stay Healthy & Young

Best hydrogen water generator  
Pure & fully dissolved

- Indirect electrolysis using pure water
- Proton Exchange Membrane ("PEM") supplied by DuPont
- Purity of hydrogen molecule >99.999%
- Obtain more than 60 international patents
- The most natural and safest hydrogen water for your whole family

**1,299 ppb dissolved hydrogen**

Certified by Japan Hydrogen Promotion Associate (JHPA)

**-558 mV high redox potential**

200c.c of hydrogen water is equivalent to 100 fresh lemons in terms of its redox potential

**Truly stabilized**

Instant and continuous water supply  
Patented technology for true dissolution

# Test reports by third party laboratories

Concentration of hydrogen water at 1,299ppb

Quality of drinking water tested by SGS

EU CE certified

Purity of hydrogen gas exceeds 99.999%

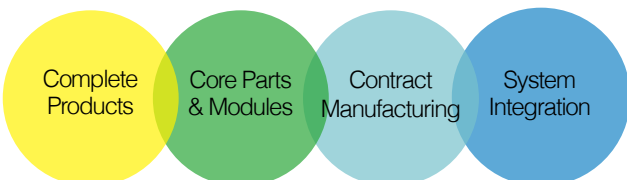

## EOS7130-HU

## Specification

	Ozonated water		Hydrogen water
<b>Output time limit</b>	20 sec	5 min	5 min
<b>Activation method</b>	Touch sensor 1 sec	Touch sensor 3 sec	Touch sensor 0.2 sec
<b>Output flow</b>	180L/hr (3.0L/ min)		90L/hr (1.5L/ min)
<b>Concentration</b>	4.0ppm	4.0 - 1.0ppm	1,000 - 1,200ppb
<b>ORP</b>	-		-558mV
<b>Output pH</b>	Does not change pH		
<b>Water quality</b>	Potable drinking water		
<b>Input Pressure</b>	2 - 7kg / cm <sup>2</sup> (optimal at 3kg/cm <sup>2</sup> )		
<b>Power Input</b>	AC 100 ~ 240V / 50 ~ 60Hz		
<b>Rate power</b>	60W (on standby ≤ 30W)		
<b>Dimensions</b>	300(W) x 165(D) x 400 (H) [mm]		
<b>Net weight</b>	7.5 kg (9.5kg when water is connected)		

## About Us

Since 1988, BES Group has been the global leader in electrolytic technology. Converting water to ultra pure ozone gas and hydrogen gas is our core technology. Series products include Food Safety & Sanitation, Healthy Environment, Clean Water, and Sanitation & Wellness. All products and components are tested for high performance, safety, and reliability with required certifications from government agencies and leading 3rd party labs.
